Ref 37: Bespoke Recycled dress socks made from upcycled yarn.

This sock is made from fibres of upcycled yarns have unique characteristics that differentiate it as being a regenerated product. These characteristics include an uneven texture and a coarser handle/feel than combed cotton. As a background the raw materials for this upcycled product arrives with our yarn merchants as an approximate composition of 95% cotton, 5% other fibres both as mixed 'fabric clippings' waste (which is upcycled) and as recycled fabrics. These materials are then processed and regenerated into yarns which we use to knit. The systems used for this processing are DETOX REACH approved and the yarn is OEKOTEX certified. At the quoted quantities we can only offer white, black or marl grey yarn. Any patterns/logos would need to be knitted using nylon.

These socks are supplied in a self-seal compostable per pair bag as an environmentally friendly packaging option. They are made from a plasticizer-free and GMO-free thermoplastic material based on natural potato starch which is naturally biodegradable.

The price is based on the full volume being the same size. Sizes available (Men's size = Men's UK 7-11. Ladies size = Ladies UK 4-7 or Unisex adults size 5-10)

Price includes jacquard knitted up to 4 colours with your design. Same design on both socks in each pair. (Base design available: Black, white and grey marl)
